COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

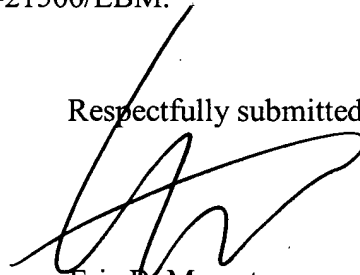

Sir:

Accompanying the Notice of Allowability mailed November 15, 2005, the examiner included an examiner's statement of reasons for allowance. The examiner stated: "The primary reason for the allowance of claims 206-208, 210-227, 229-240, and 1692-1693 is that none of the references cited, taken either singly or in combination, teach or disclose a method of treating a hydrocarbon containing formation, as in the claimed combinations, including the representative step or limitation in claim 206 wherein "the first volume, second volume and third volume are sized, shaped and/or located to inhibit deformation of subsurface equipment caused by geomechanical motion of the formation during heating". Applicant believes that claim 1691 was mistakenly left out of the claim number recital. Applicant believes that claim 1691 is allowable because none of the references cited, taken either singly or in combination, teach or disclose the method for treating a hydrocarbon containing formation, as in the claimed combination.
